### **Three-pronged Growth Strategy**

The Trustee-Manager will harness the synergies of its three-pronged growth strategy to achieve its goal of long-term value creation

#### Value Creation

- Generate sustainable cash flows from the Trust's welldiversified portfolio of businesses and assets
- Drive organic growth from existing going concern businesses, including City Gas and Ixom that are supported by long-term favourable demand trends
- Drive strong operational performance and efficiencies, as well as fulfil all contractual requirements to ensure stable cash flows

#### Operational Excellence

- Achieve operational excellence and asset optimisation to extract further value
- Maintain an optimal capital structure to support growth initiatives, and maximise returns for Unitholders
- Implement sustainable practices, where feasible, to support a sustainable future for KIT and its stakeholders

### Focused Acquisition

- Seek leading businesses and assets with the following investment characteristics:
  - ✓ Generate defensive cash flows and revenues that are inflation-linked and/or GDP-linked with potential for growth
  - √ Possess high barriers to entry
  - Are key providers of essential products and services
- Potential bolt-on acquisitions at City Gas and Ixom
- Undertake co-investment and incubation opportunities with Keppel Capital and/or the Sponsor
- Partner with experienced operators on greenfield investments with limited construction exposure
