USE OF PROCEEDS FROM THE PREFERENTIAL OFFERING

Unless otherwise defined, all terms and references used herein shall bear the same meaning ascribed to them in the announcement dated 18 April 2023 in relation to the launch of the Equity Fund Raising.

Further to the announcement dated 19 April 2023 on the results of the Placement and pricing of the Placement Units and Preferential Offering Units (the “**Announcement**”) and the announcement dated 28 April 2023 on the use of proceeds from the Placement, Keppel Infrastructure Fund Management Pte. Ltd., in its capacity as trustee-manager of KIT (the “**Trustee-Manager**”), wishes to update on the use of the proceeds raised from the Preferential Offering.

The total gross proceeds raised from the Preferential Offering is approximately S\$116.6 million. As at the date of this announcement, approximately S\$112.8 million of the gross proceeds of approximately S\$116.6 million raised from the Preferential Offering has been used to partially repay the outstanding amount drawn down under the Bridge Facilities. The remaining proceeds of approximately S\$3.8 million has been or will be used for the payment of the fees and expenses (including underwriting and selling commissions and professional and other fees and expenses (including fees and expenses associated with KIT’s extraordinary general meeting on 17 April 2023)) incurred or to be incurred by the Trustee-Manager in connection with the Preferential Offering. With the above stated use of proceeds, all proceeds from the Equity Fund Raising will be fully utilised.

The above use of proceeds is in accordance with the stated use of proceeds of the Equity Fund Raising as disclosed in the Announcement, save that the \$0.5 million of what was originally allocated for payment of fees and expenses has instead been utilised toward the partial repayment of the Bridge Facilities. This is because the fees and expenses incurred by the Trustee-Manager in connection with the Equity Fund Raising are lower than expected.
